468	Appendix XXXV, 'list B'—Cinema Machinery.	Under the heading Cinema Machinery, For Developing Machines Read Film Developing and processing machines.

SUBJECT:—Import policy for newsprint (S. No. 44/V) during April—September, 1958 Licensing period.

No. 26-ITC(PN)/58.—Attention of importers is invited to the policy laid down for Newsprint (S. No. 44/V) in Section II of the current Red Book and as subsequently amended vide Public Notice No. 23-ITC(PN)/58, dated 1st April, 1958.

(2) It has been further decided to call for additional information from the actual users including small newspapers intending to apply for import of News print. Remark (ii) against S. No. 44/V may, therefore, be deemed to have been amended to read as under:

"(ii) Actual user licences will be issued to publishers and/or printers of newspapers and of periodicals only on an ad-hoc basis considering their actual consumption of imported newsprint as certified by a Chartered Accountant during any one of the calendar years 1955, 1956 and 1957 as well as their entitlement on the basis of page area, average number of pages and circulation, whichever is less. Actual users should submit their applications to the Chief Controller of Imports and Exports, New Delhi, and also furnish the following additional information/documents along with their applications.

- (i) Title of the paper/periodical and the date from which it is regularly published;
- (ii) Area of the page of paper/periodical (in sq. inches) for which news print is applied for;
- (iii) Average number of pages per regular issue, indicating separately the total number of pages issued as supplements during 1957;
- (iv) Periodicity of issue and language of the publication and whether the paper has been under regular publication during 1957, indicating the actual number of days of publication;

- (v) Average circulation per publishing day during 1957, indicating the paid and free (including complimentary, voucher exchange, bonus, sample and office copies) circulation separately;
- (vi) (a) Consumption of imported newsprint during January—June, 1957 and October 1957—March 1958,
- (b) Consumption of indigenous newsprint during January—June, 1957 and October 1957—March 1958,
- (c) Indicate separately the order placed with Nepa Mills during October 1957—March 1958 and actual supplies received during this period;
- (vii) Sample copy of an issue bearing the date 1st April 1958 or the nearest to it;
- (viii) Indicate whether the newspaper is registered with the Registrar of Newspapers for India, Ministry of Information and Broadcasting and, if so, the Registration Number allotted to the publications;
- (ix) In case of newspapers which came into existence after 1st January, 1958, a chartered accountant's certificate in support of the circulation claimed for the newspaper;
- (x) Stocks in hand of imported newsprint on 1st April, 1958 and expected arrivals against licences in hand".

(3) Certain quantities of cheaper printing paper containing mechanical wood pulp amounting to not less than 50 per cent of the fibre content are being produced in India and it is expected that this type of paper will be available in increasing quantities in future for publication of books in lieu of newsprint which is often used for this purpose. A.U. applications will also, however, be considered from publishers of books only in cases where they produce satisfactory evidence to show that the indigenous product is not suitable for the publication of the specific books in question. Such applications will be considered by C.C.I., New Delhi and applicants should furnish detailed justification in support of their requirements and should also indicate

- (a) their exact requirements for import of newsprint for the publications in question; and
- (b) their past consumption, if any, of imported newsprint during 1955, 1956 and 1957.

(4) A.U. applications from newspapers for their specialised requirements, e.g. stereo flongs, rubber blankets, specialised types of printer's ink not indigenously available in quality or quantity etc. will also be considered by C.C.I., New Delhi on an *ad-hoc* basis. Applicants should furnish detailed justification in support of import of the items in question.

S. N. BILGRAMI, Jt. Secy.
